Safety

In addition to enjoyment and learning new skills, safety is of paramount importance on all Otley Sailing Club courses. Water sports can be hazardous by their nature and participants, parents or guardians must accept that there are risks and the inevitable bumps and scraps which happen during the thrills and spills of fast moving activities. To manage the risks so far as we are able, Otley Sailing Club has a 'safe system of work':

- we use qualified experienced staff
- we provide a range of safety equipment for participants' comfort and safety.
- we provide safe equipment for your course.
- we teach to RYA recommendations and guidelines, in small groups.
- we have robust management and safety systems which have been inspected by approved bodies such as the RYA
- we will modify/cancel an activity if we feel that there are unmanageable risks.

Insurance

During the course you will be classed as a club member and will enjoy member to member insurance that aims to protect you, as a member, from any claims from other members for items such as boat damage. However we strongly recommend that you take out your own personal liability insurance for any course in respect of cancellation, curtailment or accident.
