1	Transmission of Coronavirus due to proximity of others.	3	4	12	High			Members must abide by current government covid restrictions with regards to meeting other people and numbers etc. The clubhouse disabled toilet which is for toilet facilities are open and the changing rooms are open subject to a maximum of 4 persons in each changing room at any one time. Where possible, all persons who are not from the same household must keep 2m apart. If it is not possible to remain 2 metres apart, persons must wear face covering as per government guidelines. If any club members use the changing or toilet facilities, they must ensure that they practice good hygiene practices. Hand washing/sanitising is essential. The main room and galley are not to be used. If any members feel unwell while at the club, they must return home immediately.	1	4	4	Low		
2	Club equipment – potential contamination with Covid-19	3	4	12	High			Currently, all equipment must be owned and brought to the club by the individual club members who will be using them and must not be shared. The hiring of club boats is allowed but these must be for single 'bubble' use only and all touch points must be sanitised after use. If the clubhouse is accessed, all surfaces that are touched must be cleaned including the main door and access keypad. This is the responsibility of the person using the facilities.	1	4	4	Low		
3	Transmission of Covid-19 during eating and drinking	3	4	12	High			Hands must be washed/sanitised before and after preparation of food and eating. Food and drinks must not be prepared in the clubhouse. Nobody must share their cups, plates, utensils or food.	1	4	4	Low
